

AIM SUPPLY - Stocking Location Update

As a valued customer of our AIM SUPPLY business, we wanted to ensure you have notice of an upcoming change as a part of our network and inventory optimization strategy. Our business is committed to providing the best service levels, technology capabilities and locations to service all our customers. Our analysis has shown us that we can provide improved inventory availability, and a broader product offering by consolidating our AIM SUPPLY Denver, CO and Gresham, OR facilities into our full-service Fresno, CA facility.

Our AIM SUPPLY facilities in Denver, CO and Gresham, OR will be closing by the end of October 2023 and those customers will now be serviced by our full-service Fresno, CA facility. We will be working over the coming weeks to transition inventory into our Fresno, CA location as well as working with carriers on new volume coming in.

Fresno address:

AIM SUPPLY
2843 S. East Avenue
Fresno, CA 93725

Contact your AIM SUPPLY sales representative with any questions and we will work with them to ensure that we capture any pertinent requirements. Please communicate this change within your organization so that anyone who needs this information is notified.

Thank you,

Shane McCarthy
