RAPTOR VAC® CART SYSTEM

COMPLETE MOBILE VACUUM SYSTEM

SAFETY & MOBILITY

Safely store your vacuum & vacuum hoses, air lines, and tools from becoming tripping hazards. The Raptor Vac® Cart by Dynabrade is designed for safe portability throughout your workshop environment.

ORGANIZATION & STORAGE

Organization is the key to success. Stay efficient and productive by knowing exactly where your tools and necessities are stored.

SPACE-SAVING

The Raptor Vac® Cart by Dynabrade is compact, so you can take back your valuable floor space from unwanted clutter.
